Sundays October 6, 13, 20, 27 at 6:30pm

The 17th Century comes alive through a multi-media performance work about the life of mystic and astronomer Johannes Kepler. The Kepler Story, designed for planetarium domes, blends traditional theater, cutting-edge immersive visuals, original music, and state-of-the-art sound design to create a moving portrait of one of the greatest geniuses of all time.

Morrison Planetarium at the California Academy of Sciences

Golden Gate Park, San Francisco, CA
