UPCOMING EVENTS

Kepler at IMERSA

This week, Nina travels to the fifth annual IMERSA conference in Denver, where she'll present with California Academy of Sciences' Ryan Wyatt on The Kepler Story's success at the Morrison Planetarium. She'll screen excerpts from the show, including some favorite immersive scenes (remember the snowflakes?!), and talk about the genesis of the show, as well [...]

The Kepler Story Tour

If you've been following us on Facebook or are on our email list, you know what a huge success The Kepler Story's was at Morrison Planetarium: 2,100 audience members. Seven sold-out shows. Rave reviews and press. We are incredibly grateful to all our backers, supporters (our "satellites") and donors. This production was truly a collective [...]
